

September 30, 2011 - FOR IMMEDIATE RELEASE

DynaFlex® Receives Medicare Code E0486 for All Dorsal Appliances

St. Ann, MO –DynaFlex®, a manufacturer and distributor of sleep appliances has received HCPCS Code E0486 for DME billing. This code is for oral device/appliance used to reduce upper airway collapsibility. The coding will be available on Durable Medical Equipment System (DMECS) within ten (10) working days of the date of this press release.

In addition to the Dorsal, DynaFlex also manufactures the TAP series of sleep appliances which also has the E0486 coding.
