

August 22, 2011- FOR IMMEDIATE RELEASE

DynaFlex® Hires Quality Expert to Head Up ISO And FDA Initiatives

St. Ann, MO –DynaFlex®, a manufacturer and distributor of quality orthodontic products, appliances and digital technology

DynaFlex is proud to announce the hiring of Matthew Malabey as ISO and Quality Coordinator effective September 1, 2011. Matt brings a wealth of quality knowledge to DynaFlex with over 10 years of practical ISO experience at a major St. Louis based defense contractor.

Matt has started from scratch an ISO program and has significant experience in conducting internal audits, documentation preparation and completion as well development of a quality training program for over 1000 employees.

Matt holds a bachelor's degree in business administration and is currently completing his MBA.
